

## Field Trial Results

April 10-11, 2010

### Flaherty WMA, East Windsor, CT.

CNEBC held our annual spring field trial on April 10-11 at the nicely groomed Flaherty Field Trial Area in East Windsor, Ct. The grounds are maintained by the Flaherty Field Trial Association along with the CT Department of Natural Resources. One of our judges, Mr. Richard Murphy, puts considerable time into keeping Flaherty a top notch venue for sporting dog clubs here in New England.

The trial was a full one with 128 dogs entered. All the judges should be commended for giving a thoughtful eye to all participants. CNEBC appreciated their efforts during this busy time of year.

The trial went off without a hitch thanks to the efforts of many club members as well as other volunteers from the local area. Special thanks should be given to Jane Bjork and Aaron Crown of CNEBC for putting the puzzle together. Denny Duguay, Dave Phillips, Art Hembrough, Bob Hallberg, Paul Gardner kept the birds bagged and make sure they ended up in the right spots. Leslie Hunt, Tom and Pam Mercier, Dennis Harkcom and Lynda Zartarian provided tremendous support to the team to ensure a quality trial.

The weather cooperated both days with some windy conditions developing, causing some difficult bird work at times. CNEBC would also like to thank Gun Dog supply Co. for providing gift certificated to the winners in several categories.

We had nice Gun Dog stake entries, with (30) pen and (21) Amateur Walking Gun Dogs coming to the line for their shot at winning the Blue Ribbon. The trial saw two new field Champions crowned, with Peter Mazzaglia's Jasper earning his Open title with a truly inspiring race to best out thirty others taking the Open on Saturday with Peter handling. Ken Mercer's male Sunshine's Johnny Walker had a terrific race on Sunday with a quality find on the far side of the course. John's effort and style were rewarded with the blue ribbon Saturday gaining him a Field championship.

CNEBC again would like to thank all that came to our event and we hope to see you again at our fall trial this coming September.
